OUR MINISTRY:

Treasured Paper Nautilus Shell,

June 21st - officially the longest night and shortest day. Above us, the stars are shining.

Although 07:00, it is still dark on this winter morning and our headlamps are shining two bright spots on the white Kleinmond beach.

Magdaleen and myself are walking with a purpose, our eyes scanning the sand, eagerly searching for the delicate [Paper Nautilus](#) shell which are washed ashore during winter time on a few beaches in the Western Cape and elsewhere.

You've got to be there at first light, before the birds smash the beautiful shell to get the tasty bits inside.

While walking kilometer after kilometer, I was in deep conversation with the Lord - interceding - praying...

...You are delicate & precious to God

*"O Lord, ... when I consider your heavens, the work of your fingers,
... what is man that You are mindful of him,
the son of man that you care for him?*

You made him..." (Psalm 8)

- ✚ I prayed that you, as delicate human being, will be prepared and stand strong in spiritual conflict against enemies trying to destroy you:

Enemy world (1 John 2:15-17);

Enemy flesh (Galatians 5:16-25);

Enemy Satan (1 Peter 5:7-11 & Ephesians 6:10-13).

- ✚ I prayed for your marriage/singleness and finances.
- ✚ I prayed that you will be wise enough to rectify possible wrong decisions.

Let me clarify myself with a scenario that took place in Judah (2 Chronicles 25).

- King Amaziah paid a lot of money to hire 100,000 soldiers for a planned war. (verse 5-6). A Man of God told him to send these people home, for he is going to loose the battle if he relies on them, instead of on the Lord. (verse 7)

- *“Even if you go and fight courageously in battle, God will overthrow you before the enemy, for God has the power to help or to overthrow”* (verse 8)

- *“But what about the hundreds of talents I paid for these troops?”* Amaziah asked. The man of God answered: *“The Lord can give you much more than that.”* (verse 9b)

- The Lord’s favour is priceless, worth much more than any amount of money.

- ✚ I prayed that you will have the power to resist temptation and sin.

See 1 Corinthians 10:13; Philippians 4:13; Ephesians 1:18-23; 2 Timothy 1:7 & Romans 6:1-16.

Does miracles still happen?

The day our 15 year old Mazda 626 finally broke down, the Lord provided in a wonderful, unexpected way!

One of our financial supporters bought us a car - all we had to do is to register it on our ministry’s name. The rear tires were also replaced with new ones. Yes, it is true. We are not dreaming! Praise the Lord for His provision when we needed it most!! It is an excellent vehicle for the many gravel roads Pieter has to drive for his ministry on the farms.

A gift from God. Proud owner of our Double cab Tata bakkie, 2006

Hope on Highlands Apple Farms

Open doors for There is Hope Ministries. I am so excited about what the Lord is doing!

Apart from our Internet Ministry, we have started with a much needed Wellness Programme on 4 apple farms in Highlands, Western Cape. Nearly each week new doors are opening and a powerful strategy is starting to develop...

Pieter, Jannie and the Grunewald brothers working out strategy on their farm, Krabbefontein

Pieter and Hennie (Protea farm) during a meeting at our house in Kleinmond. New ideas were born.

Once a month we show a film with a specific topic like: Forgiveness; Acceptance; Self-control, HIV/AIDS, Responsibility, Endurance, Drugs, etc. This is followed by interactive workshops & discussion groups on

the specific topic of the day. Each week, this strategy is duplicated on a different farm. The farmers are supportive. Although many people are illiterate, they are enthusiastically taking part in the interactive groups where multiple issues are identified and discussed. Needs arise from these discussions and future actions are planned.

This is only the first baby steps of a Wellness Programme for the farm workers, as well as for the farmers. I will keep you informed on the development of this powerful, fast-growing strategy.

Pieter demonstrates the power of group dynamics during a DVD presentation (on the farm Breëvlei), about the impact of HIV/AIDS on the lives of families
