**B.      THE FOUNDATION FOR FOLLOW-UP: "HS" BOOKLET**

## 1. **The Holy Spirit booklet.**

- a) As the “4SL” booklet is the heart of the training in evangelism, so is the HS booklet the heart of the training in follow-up.
- b) Millions of copies of the booklet, have been distributed in most major languages around the world.
- c) As a result, thousands of Christians have learned how to experience the power and control of the Holy Spirit, moment by moment. Through the abundant life which Christ promises, and which they are now experiencing, they have become more effective in sharing their faith in Christ with others.
- d) Experience has confirmed the validity of Christ's command to the disciples to wait until they were empowered by the Holy Spirit before going forth to the world to share the good news of His love and forgiveness.

Most Christians, when they have learned this truth concerning the Holy Spirit, want to be actively sharing Christ and helping to fulfil the Great Commission in our generation.
